

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 7, 1996

SUBJECT: **SB 2312 - HB 2182**

This bill, if enacted, will allow a licensed barber to retire his/her license by submitting the appropriate form accompanied by the current active license certificate and a fee of \$10. Upon acceptance, the Barber Board shall issue a retired inactive license certificate to the retiree.

The fiscal impact from enactment of this bill is estimated to be an increase in state revenues due to the collection of the \$10 fee to retire each license. Enactment of the bill will also result in a decrease in state revenues since some barbers will opt to pay the \$10 fee and retire their license rather than paying the \$80 biennial renewal fee. The net effect from enactment of the bill is estimated to be a decrease in state revenues. However, such decrease is estimated to be not significant..

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
